

Human Anatomy & Physiology (A&P) Options

“Major” column tells if course counts as part of “15 BIOSC elective credits” for Department of Biological Sciences majors. Grayed out classes DO NOT count as BIOSC elective credits for Department of Biological Sciences majors.

School/Dept.	CODE	#	Title	Cr.	Major	Term offered; Notes
Pitt - A&S	BIOSC	1250	Human Physiology	3	Yes	Fall, Spring
Pitt - A&S	BIOSC	1070	Honors Human Physiology	4	Yes	Fall
Pitt - A&S	BIOSC	1255	Physiology Lab	1	Yes	Spring; restricted to BIOSC Dept. majors
Pitt - A&S	BIOSC	1200	Vertebrate Morphology (comparative)	3	Yes	Fall
Pitt - A&S	BIOSC	1205	Vertebrate Morphology Lab	1	Yes	Fall
Pitt – A&S	BIOSC	0041/0042	Anatomy for the Health Professions with lab	3/1	No	Fall; restricted to BIOSC Dept. majors
Require prior consent from ANTH Department						
Pitt - A&S	ANTH	1605	Primate Anatomy with Lab (comparative)	4	Yes	Spring even yr.; NOT lab. Requires BBP Training
Classes below require prior consent from Department, Institution, or a Cross-Registration application						
Carlow University	BIO	205*(not 201)	Human A&P with Lab 1	4	No	Fall
Carlow University	BIO	206*	Human A&P with Lab 2	4	No	Spring
Chatham University	BIO	201/201L*	Anatomy with Lab	5	No	Spring
Chatham University	BIO	302/302L*	Physiology with Lab	5	No	Fall
CCAC	BIO	161/162	Human A&P 1 and 2 with labs	4/4	No	Fall, Spring, Summer
Duquesne U	BIOL	207/8	Human A&P with Lab 1	3/1	No	Fall, Summer
Duquesne U	BIOL	209/10	Human A&P with Lab 2	3/1	No	Spring, Summer
Pitt - Education	HPA	1011/1012*	Applied Human Anatomy and lab	4	No	Fall
Pitt - Nursing	NUR	0012	Human A&P 1	3	No	Fall, Sum 6W1
Pitt - Nursing	NUR	0002	Human A&P Lab 1	1	No	Fall, Sum 6W1
Pitt - Nursing	NUR	0013	Human A&P 2	3	No	Spring, Sum 6W2
Pitt - Nursing	NUR	0003	Human A&P Lab 2	1	No	Spring, Sum 6W2
Pitt - Pharmacy	PHARM	5114	A&P 1	3	No	Fall
Pitt - Pharmacy	PHARM	5115	A&P 2	3	No	Spring
Pitt - Rehab Science	HRS	1020*	Human A&P	4	No	Fall
Pitt - Rehab Science	REHSCI	1200*	Human Anatomy with Lab	4	No	Fall
<i>Univ. of New England</i>	<i>PHYSL</i>	<i>1010</i>	<i>Medical Physiology & Lab (online)</i>	<i>4</i>	<i>No</i>	<i>Fall, Spring, Summer</i>
<i>West Virginia Univ.</i>	<i>NBAN</i>	<i>205/206</i>	<i>Human Anatomy & Lab (online)</i>	<i>3/2</i>	<i>No</i>	<i>Fall, Spring, Summer</i>
<i>Colorado St. Univ.</i>	<i>BMS</i>	<i>320</i>	<i>Online – Virtual Lab in Physiology</i>	<i>2</i>	<i>No</i>	<i>All terms; = 1 BIOSC lab cr.; Pre-req. BIOSC 1250 & instructor permission (see next page.)</i>

* Extremely limited enrollment access; HPA & HRS course permissions only granted at the end of August.

Contacts for more info. or course permissions

Pre-P.A. Advising: Rich Fann, Career Development
200 William Pitt Union, 412-383-4473, rfann@pitt.edu
www.studentaffairs.pitt.edu/node/1425

Anthropology (**ANTH**) classes

Contact instructor listed for the class.
Take Bloodborne Pathogen training, www.pitt.edu/~siegel/anatsyl.htm

Education (**HPA**) classes

Department of Health and Physical Activity
Contact: Donna Farrell, 412-648-8251
Email: dfarrell@pitt.edu
140 Trees Hall, 412-648-8320

Health & Rehabilitation Sciences (**HRS, REHSCI**) classes

- (1) Contact the instructor listed for the class.
- (2) If no instructor info, contact SHRS Student Services:
Student Services
4028 Forbes Tower, 412-383-6565
Email: chw65@pitt.edu or kbeach@pitt.edu

Nursing (**NUR**) classes:

- (1) Go to www.nursing.pitt.edu
- (2) Click on "Students" then "Student Forms and Documents"
- (3) Complete an "Admission to Closed Class or Restricted Class" Form
- (4) Obtain instructor's signature and turn it in to Student Services Office for permission #
239 Victoria Building, 412-624-4586

Pharmacy (**PHARM**) classes

904 Salk Hall, 412-648-8320
(1st) Contact course coord.: Marcia Borelli, 412-648-1120
Email: borrelli@pitt.edu
(2nd) Contact for permission #: Anna Stracci, 412-648-8574
Email: stracci@pitt.edu

Online Class Websites

Cross-Registration is available to full-time students in fall and spring terms only (not for summer). There's no extra tuition to cross-register, but you may be assessed "special" course fees. The grade and credits show on your Pitt Transcript and count in your GPA.
The academic policies of the host institution prevail.

Courses have limited enrollment access. Apply early and have back up.

Arrange for cross-registration at Pitt Registrar's Office (G-1 Thackeray), 412-624-7649 or at www.registrar.pitt.edu/cross_registration.html.

Websites: www.school.edu

school = carlow, ccac, chatham, cmu, duq, laroche, pointpark, rmu

Other classes for PA programs:

Microbiology & lab: BIOSC 1850/1855; DENHYG 1241/1246 (Spring)
NUR 0031/0032 (Spring), ORBIOL 1020 (Spring)

Psychology: Check specifically what class your program requires!

Abnormal (PSY 1205) or Developmental (PSY 0310). PSY 0310 covers birth to adolescence. *Intro. (PSY 0010) is a pre-requisite for both courses.

Or, these have no pre-requisites and cover birth to death:

REHSCI 1245 Human Development (Fall term)

PSYED 0005 Lifespan Development (Spring term)

Medical Terminology: REHSCI 1235 - Medical Terminology (1cr); Fall & Spring; Online; Unrestricted.

CCAC has an online course: ALH-140 Medical Terminology (3cr.)

Nutrition: NUTR 1006 - Introduction to Human Nutrition (Fall term) OR
NUR 0066 - Nutrition for Clinical Practice. (Fall, Spring, & Summer term)
Both require permission from those departments.

CCAC online: BIO-117 Introduction to Nutrition, or DIT-106 Fundamentals of Nutrition. (Fall, Spring, & Summer term)

Other: PEDC 0196/HPA 0196 - First Aid and CPR (Fall, Spring, & Sum. term)
EM 1102 - Emergency Medical Technician (Fall, Spring, & Sum. term)
