•

Please list any graduate honors, awards or scholarships (including Mellon or Oweida fellowships)

•

Please list any publications (must be in print or in press)

•

Names of individuals who will be writing to comment on your academic qualifications.

•

Attachments to include with this application

- A transcript of graduate work from the University of Pittsburgh; you may obtain this yourself from (www.registrar.pitt.edu/transcripts.html) or ask Cathy Barr (nicely, please) to obtain one for you
- A current CV, limited to 2 pages
- Two letters of recommendation should be forwarded to Cathy Barr **via email** on your behalf, but not attached here
- A two-page research summary and justification describing how the Elizabeth Dillion Travel Award will enable your attendance at a meeting that is (a) important for your professional development and (b) unable to be funded by other means.

Research Summary and Travel Justification

<Insert a summary of (a) your current research, including descriptions of notable accomplishments and overall significance, and (b) justification describing how the Elizabeth Dillon Travel Award will enable your attendance at a scientific meeting that is both important for your professional development and unable to be funded by other means. Maximum length for the summary is 2 pages (single-spaced), including figures and tables; the list of literature cited may be placed on an additional, separate page. Please delete these instructions when inserting your summary.>
