

Hello,

If you are going abroad this summer, you were contacted by the Study Abroad Office, and asked to ensure that you do not have any enrollment holds. PLEASE USE INFORMATION BELOW as a starting point:

- (1) If you've met with a BIOSC advisor to have your Fall Hold removed, we took off your summer one too!
- (2) You can view whether you have holds by going into your Student Center

To Access your Student Center

Log in to My Pitt with your University Computing Account username and password.

Next, click the Student Center pass through link on the right of your portal home page.

Next, click Self Service

Next click Student Center (yes, that's two times you've clicked on a Student Center link.)

Your Student Center information is displayed as shown in the example below. Your HOLD information is in the upper right box (shown with a red circle and yellow highlighting in this example).

## Pitt's Student Center

The screenshot displays the Pitt's Student Center interface. On the left, there are two main sections: 'Academics' and 'Finances'. The 'Academics' section includes a search bar with 'Enroll' highlighted in a red circle, and a message box stating 'You are not enrolled in classes.' The 'Finances' section includes a search bar with 'other financial...' and a message box stating 'You have no outstanding charges at this time.' On the right, there are three panels: 'SEARCH FOR CLASSES', 'Holds' (with 'Academic Advisement Required' highlighted in a red circle and yellow background), and 'To Do List' (with 'Final High School Transcript' and 'Enrollment Dates' highlighted in a red circle and yellow background). The 'Enrollment Dates' panel states: 'Enrollment Appointment You may begin enrolling for the Fall Term 2010-2011 Academic Term session on March 31, 2010 4:15PM.'
